OUR EXPERTISE

Affirming our reputation as a true merchant trader, Wilben has built dedicated Commodities Trading and Procurement & Supply divisions to source and deliver commodities and capital equipment to any destination.

COMMODITIES

Wilben possesses a highly skilled and experienced Commodities Trading team and is witnessing substantial growth in this area of our business. We trade in agri (wheat/grains, corn, pulses, oils, feeds), energy (crude, gasoline, diesel) and metals (copper, aluminium, steel).

Our source markets for agri are centred around the Black Sea with key destinations being across the MENA region, Turkey, Africa and the Indian Sub-Continent. For energy and metals we trade across Europe, Middle East, Africa and Asia.

We believe in adding value to our customers across all points of the supply chain process and pride ourselves on our efficient, professional and customer-centric services.
